Destination Information

Riviera Maya has so much to offer from Mayan Ruins, private beaches, great nightlife & shopping in Playa del Carmen, natural underground rivers all within close proximity to the airport & with convenient flights to from the US. Riviera Maya is located in the north-east cost of the Yucatan Peninsula in the state of Quintana Roo, México.

All year round you can expect sun and warm weather with an average temperature high of 30°C or 86 °F. The highest temperatures are registered on May and September when temperatures can reach 32°C, 90 °F. There are also two rainy seasons during October to January and April to July; however they can be a great refresher during the heat of the day.
