Destination Information

Just north of Cancun, this seaside resort community is a far cry from the spring-break crowd. Bordered on one side by the Mexican Caribbean and the other by a wetlands wildlife preserve, the vibe in Playa Mujeres is one of laid-back luxury in a natural, untouched landscape. Unlike many other such tranquil places, Playa Mujeres is not a pain to get to. It's an easy ride from Cancun airport. Close by, you will find Mayan ruins, which dot the landscape around this southern region of Mexico. From El Rey to Tulum, the ancient stone remains are unique archaeological attractions that tell the original story of the now bustling modern city of Cancun. Many people also visit the area for its great dive sites. Colorful coral reefs and diverse sea life are located right offshore, and a variety of inland cenotes (deep natural wells) attract diving enthusiasts to explore the rich underwater worlds of Cancun.

Reservation Information

As your Certified Travel Concierge: it is my pleasure to make your vacation planning as stress free and easy as possible for you - all you need to do is pack and show up! I'm here to personally answer any questions you may have throughout the process. We know you have plenty of choices, and we appreciate the chance to show you the benefits of booking with Beach Bum Vacation.
